We may still be enjoying the last rays of Summer, but Xmas is a mere 124 days away and this year it *IS* the season to be *FABULOUS!*

The sparkling stars of RuPaul's Drag Race are returning to the UK to bring their Sold Out US Christmas show to 5 cities in England, Scotland and Wales to coincide with the release of their new album, Christmas Queens Vol. 2!

Joining her for an evening of song, dance, performance, stiletto shoes, Kiki' and rhinestones will be US Drag Queens and Drag Race contenders; Alaska, Manila Luzon, Detox, Katya and Phi Phi O'Hara.
