AN EVENING WITH DAVID SEDARIS UK TOUR 2018

"Sedaris ain't the preeminent humorist of his generation by accident."
ENTERTAINMENT WEEKLY

David Sedaris, humorist, bestselling author and star of Radio 4 series 'Meet David Sedaris', has announced an extra date at London's Cadogan Hall on Monday 23rd July as part of his UK leg of his tour. The tour now takes in 11 dates starting on 10th July at Cardiff St. David's Hall and culminates with three nights at London's Cadogan Hall from 24rd July. The tour supports his next literary release - a new book of essays entitled 'Calypso' that comes out in June.

With sardonic wit and incisive social critiques, David Sedaris has become one of America's pre- eminent humour writers. The great skill with which he slices through cultural euphemisms and political correctness proves that Sedaris is a master of satire and one of the most observant writers addressing the human condition today.

David Sedaris is the author of *Barrel Fever* and *Holidays on Ice*, as well as collections of personal essays, *Naked*, *Me Talk Pretty One Day*, *Dress Your Family in Corduroy and Denim*, *When You Are Engulfed in Flames*, *Let's Explore Diabetes with Owls* and 2017's 'Theft By Finding: Diaries (1977-2002)' each of which became an instant bestseller. The audio version of *Let's Explore Diabetes With Owls* is a 56th Annual GRAMMY Awards Nominee for Best Spoken Word Album. He is also the author of the NYT-bestselling collection of fables entitled *Squirrel Seeks Chipmunk: A Modest Bestiary* (with illustrations by Ian Falconer). He was also the editor of *Children Playing Before a Statue of Hercules: An Anthology of Outstanding Stories*. Sedaris' pieces appear regularly in *The New Yorker* and have twice been included in "The Best American Essays." There are a total of ten million copies of his books in print and they have been translated into 25 languages.

He and his sister, Amy Sedaris, have collaborated under the name "The Talent Family" and have written half- a-dozen plays which have been produced at La Mama, Lincoln Center, and The Drama Department in New York City. These plays include *Stump the Host*, *Stitches*, *One Woman Shoe*, which received an Obie Award, *Incident at Cobbler's Knob*, and *The Book of Liz*, which was published in book form by Dramatists Play Service.

David Sedaris' original radio pieces can often be heard on the US public radio show *This American Life*. David has been nominated for three Grammy Awards for Best Spoken Word and Best Comedy Album. His latest audio recording of new stories (recorded live) is *David Sedaris: Live for Your Listening Pleasure* (November 2009). A feature film adaptation of his story *C.O.G.* was released after a premiere at the Sundance Film Festival (2013). Since 2011, he can be heard annually on a series of live recordings on BBC Radio 4 entitled "Meet David Sedaris."
